Earth and Space Science (ESS) Course Overview

ESS is a capstone course designed to build on students' prior scientific and academic knowledge and skills to develop understanding of Earth's system in space and time.

General Expectations

Students are expected to actively participate in the scientific learning process by:

- 1) Be on time.
- 2) Be on task.
- 3) Be prepared.
- 4) Be respectful.

Retest Procedures

If you earn below a 70% on any test in this class, you have the opportunity to come to tutorials to receive extra help and retest. The highest grade you will be able to receive is a 70%. If you are absent on testing day, you must come in for tutorials in order to make up the test.

Late/Missing Work

Late assignments will be deducted 5 points from the final grade for each class day the assignment is late (for a maximum of 25 points per week). Please seek help at tutorials if you have difficulty with the work or as special circumstances arise.

Classroom Procedures

Please see the Class Welcome Packet for a complete list of important procedures to be followed in class on a daily basis.

Grading

Tests/Projects 40% ♦ Labs 25% ♦ Quizzes 20% ♦ Dailywork/Homework/Notebook 15%
